Salt River Project Agricultural Improvement and Power District ("SRP"), pursuant to A.A.C. R14-3-105 and the Procedural Order dated January 12, 2009, hereby moves the Arizona Corporation Commission for an order allowing SRP to intervene in the above-captioned proceeding. In support of its motion, SRP states as follows:

- 17
- 1. SRP provides electric service to customers within the State of Arizona;

18 19 2. Solar Alliance has applied for a declaratory order that providers of certain solar service agreements would not be public service corporations.

20

21

3. SRP is affected directly and substantially by the outcome of Solar Alliance's application because its members will have solar service agreements with SRP's sustances which require interconnection with SRP's electric system.

22

SRP's customers, which require interconnection with SRP's electric system.

23

Additionally, these customers may seek incentives under the Renewable Energy Standard Rules, pursuant to R14-2-1801 *et seg.*

2425

4. The granting of intervenor status to SRP will not delay this proceeding or cause the issues to be unduly broadened, nor will it unduly prejudice Solar
